Safety Instructions:

- Risk of suffocation from small parts, especially if the collection container is handled or emptied improperly.
- Risk of electric shock if the appliance is used incorrectly or damaged.
- Do not use the appliance for purposes other than those for which it is intended, such as shredding materials that are not suitable for a document shredder.
- Keep the appliance away from water and other liquids.
- Ensure that children do not use the appliance or play near it.
- Lock the paper chamber with a PIN code to prevent unauthorised access.
