Article Numbers: 167995, 167994, 167993, 167992, 167991, 167860

Safety Instructions:

- Choking hazard due to small parts such as markers and pen tray. Not suitable for children under 3 years of age. Avoid leaving children unattended.
- Risk of electric shock if wall-mounted incorrectly. Only install in accordance with the instructions. Observe safety precautions against falling.
- Take care when using sharp-edged fastening parts and the magnetic surface. Magnetic parts and other small parts can detach and pose a choking hazard.
- The surface of the board may be hot after use. Take care when touching it.
- Only use the supplied or approved marker to avoid damaging or discolouring the surface.
- Do not use the product in the children's room if small children are present. Keep the product out of the reach of children.
- Do not use the product in damp environments in order to preserve the integrity of the surface.
- To avoid damage, do not hit the board directly or handle it with sharp objects.
- Caution: Plastic parts of the product may melt if used improperly.
- Use the product in accordance with the requirements of the Product Safety Ordinance.
- Use suitable cleaning agents to protect the nano coating. Do not use aggressive cleaning agents.
- During installation, ensure that the wall mounting is stable and the mounting system is secure.
- Provide safety information on installation and use.
