Safety Instructions:

- Check the insurance cover for documents and valuables. Coordinate the sums insured and the necessary anchoring with your insurer. Insurance cover depends on the anchorage and security level.
- Anchor the safe due to its weight to ensure stability.
- Take care when using as a mobile safe or for storing narcotics. Safe storage of materials requiring protection, such as anaesthetics, in accordance with legal requirements.
- Use the double-bit high security lock safely. Doors may only be opened with the keys provided to prevent unauthorised access.
- Store in a dry place to prevent rust formation.
