Safety Instructions:

- Caution: If used incorrectly, there is a risk of injury from falling.
- Choking hazard due to small parts if the chair is dismantled or damaged. Small parts should be kept out of the reach of children.
- Indoor use only recommended. The product is intended for indoor use. Do not use outdoors.
- Keep out of the reach of children to avoid injury. The product should be used under adult supervision when children are present.
- Pay attention to the stability of the chair to prevent it from tipping over. The chair should be placed on a stable, flat surface to prevent it from tipping over.
- Avoid direct contact with high temperatures to prevent damage to the materials. The upholstery is not fireproof, so keep away from naked flames.
- Keep sharp objects away from the upholstery to prevent damage.
- Only use suitable cleaning agents for cleaning so as not to damage the materials.
- The upholstery should be protected from direct sunlight to prevent discolouration.
- When attaching legs or during transport, care should be taken to use the correct techniques to avoid injury. Before use, ensure that the feet of the chair are correctly fitted to prevent tipping.
- Note that the chair has a seat height of 380 mm; check whether this meets the user's needs.
