Safety Instructions:

- The table should be placed on a stable, level surface to prevent it from tipping or falling over.
- Ensure that the assembly is carried out carefully and in accordance with the instructions in order to avoid accidents or instability.
- Regularly check the stability and strength of the connections and retighten the screws if necessary.
- Keep the table away from direct heat sources, open flames, moisture and direct sunlight to prevent damage.
- Not suitable for children under 3 years due to small parts that can be swallowed.
- Pay attention to sharp edges and keep a safe distance from small children.
- Only use mild cleaning agents and soft cloths for cleaning to avoid damaging the surface.
- Avoid contact with sharp objects so as not to scratch the surface.
- The table top is made of MDF and should be handled carefully to prevent splintering.
