Safety Instructions:

- Ensure that the whiteboard is securely and neatly mounted on the wall to avoid the risk of it falling down. Check the fixings regularly to ensure stability.
- Only use the mounting materials included in the scope of delivery or recommended by the manufacturer to ensure safety. Wear suitable safety precautions such as safety goggles when installing to avoid injury.
- The product is not suitable for children; there is a risk of injury from sharp edges or the weight of the board. Children should only use it under adult supervision.
- Avoid using harsh or abrasive cleaning agents so as not to damage the surface of the whiteboard. Clean the writing surface regularly in accordance with the cleaning instructions supplied.
- Only use the recommended board markers to avoid damaging the surface.
- The whiteboard should not be placed near water sources to minimise corrosion or electrical risks.
- Keep small parts and screws out of the reach of children to avoid the risk of suffocation.
- Special care must be taken to minimise the risk of injury from sharp edges or improper use.
- Regularly check the product for damage to ensure safety and functionality.
- The use of original accessories from the manufacturer guarantees the 25-year warranty on the use of the surfaces.
