## Safety Instructions:

- Take care when locking to ensure that no fingers can be trapped.
- Choking hazard due to small parts in drawers; keep children away and take care when assembling.
- Use on level surfaces to prevent tipping.
- Do not overload and observe the maximum load capacity; do not overload drawers to prevent them from falling out.
- Do not use castors on uneven or slippery surfaces.
- Observe child safety: Do not allow to be used as a toy or without supervision.
- Carry out regular safety inspections, especially of the castors for damage.
- Open drawers by the metal handle to avoid injury.
- Only lock with the keys provided and ensure that the lockable function is used.
- Keep the movement area in front of the mobile container clear to prevent falls.
- Check all parts for damage before use.
- Tie down the mobile container when moving to prevent it from tipping over.
- Follow the instructions for safe use and maintenance.
