Safety Instructions:

- Choking hazard due to improper handling of small parts and loose cables. Children should not be left unsupervised with the product.
- Risk of electric shock due to improper use of electrical components. Ensure that the electrical components are installed correctly.
- Risk of injury from mechanical parts when adjusting the height. Ensure that no body parts are trapped.
- Risk of tipping if used incorrectly: Ensure that the table is placed on a stable and level surface. Do not exceed the maximum load of 80 kg.
- Ensure that all cables are laid neatly to avoid tripping hazards.
- The desk is not suitable for children under 3 years of age: Choking hazard due to small parts.
- Use only in accordance with the instructions for safe use. Follow the installation instructions carefully.
- Regularly check the electrical components for damage or wear to ensure safety.
- Check the electrical connection requirements to avoid short circuits.
- To avoid damage, do not clean the table with water or aggressive cleaning agents.
- Before use, ensure that the desk is correctly assembled and stable.
- Keep children and pets away from the electrically height-adjustable table during operation.
