Safety Instructions:

- Ensure that the trestle is positioned on a stable, level surface to prevent it from tipping over.
- Only use the drum support for the intended drum size of 60 litres to ensure stability.
- Regularly check the integrity of the material and connections to ensure that they show no signs of corrosion or wear.
- Keep the trestle away from children, as it could potentially hold dangerous liquids.
- In the event of a leak or damage to the drum, do not touch the contents with your hands and look for suitable safety precautions immediately.
