Article Numbers: 659386, 659379, 659378, 301867, 301356

Safety Instructions:

- Not suitable for children under 3 years of age due to small parts that may pose a choking hazard.
- Safety information and instructions for use should be clearly understandable.
- Once the metal mechanism has been removed, the product is fully recyclable. Please dispose of the metal mechanism and recycled cardboard properly to minimise the environmental impact.
- The storage or transport conditions must not affect the conformity of the product.
- Only use the product for its intended purpose to avoid injury or damage.
- Store with care to avoid injury.
- Not suitable for liquid documents to avoid damage.
- Keep the product away from sources of fire to avoid the risk of fire.
- Improper use could cause the stapling mechanism to fail, which could result in injury.
