Safety Instructions:

- Before using the Cherry KC 4500 ERGO keyboard, make sure that the USB cable is not damaged to avoid the risk of electric shock.
- The non-slip rubber feet must not be removed or damaged to prevent the keyboard from slipping.
- The palm rest must not be used when damp in order to avoid mould growth and health risks.
- Incorrect handling or improper use of the keyboard can lead to injuries due to repetitive strain. Ensure that the ergonomic position is maintained when typing.
