Safety Instructions:

- Attention: Only suitable for handling non-flammable liquids.
- Observe maximum load: Do not exceed 1200 kg.
- Use personal protective equipment: Wear gloves and safety goggles when handling hazardous substances.
- The tray must be placed on a stable, level and load-bearing surface to avoid the risk of falling.
- In the event of chemical leaks, immediately take suitable measures for containment and cleaning.
- Only use the tray with suitable drums to avoid overflows or leaks.
- Install and use in accordance with the manufacturer's instructions.
- Carry out regular inspections for cracks, damage or wear to the tray.
- Please only use the tray for its intended purpose. Not suitable for storing food.
- Avoid overloading the tank beyond the maximum capacity of 220 litres.
- A forklift truck or high-lift truck must be used by trained personnel.
