Safety Instructions:

- Risk of suffocation due to improper use of the stool. Children could fall into the stool or pull up on it.
- The product must be used on a flat surface to prevent it from tipping over.
- Make sure that the stool is correctly adjusted to the desired height to ensure stability.
- The stool may only be used by adults or under adult supervision.
- Do not use if overloaded beyond the recommended maximum load.
- Regularly check the functions of the stool for safe and proper operation.
- Risk of fall injuries if the height adjustment is incorrect.
- The product is not suitable for children under 3 years of age in order to avoid injury from improper use.
- Read the operating instructions carefully before use to avoid injury.
