Safety Instructions:

- Caution: Choking hazard due to small parts in the adhesive strip dispenser.
- Monitoring the water supply: Improper handling can lead to flooding.
- Safety note: There is a risk of the lever hoist breaking if used incorrectly.
- Note: Do not use the appliance within the reach of children.
- The use of devices with electrical components requires regular inspection for damage.
- Noise development: Use can cause unpleasantly loud noises, especially in quiet environments.
