### Safety Instructions:

- Ensure that the table is placed on a stable, level surface to prevent it from tipping or falling over.
- Follow the installation instructions carefully to ensure correct and safe installation.
- Avoid using sharp objects on the tabletop to prevent scratches and use coasters for hot or wet objects.
- Keep the table away from water, other liquids and extreme temperatures to prevent damage.
- Only use the table for its intended purpose and avoid sitting or standing on it to prevent the risk of falling.
- Watch out for sharp edges and avoid improper use to prevent injury, especially during assembly.
- The product is not suitable for children; keep it away from small children as small and heavy parts are a hazard.
