Safety Instructions:

- Please do not place any sharp objects on the surface to avoid scratches.
- Avoid overloading the table to ensure stability and safety.
- Keep the table away from naked flames and extreme temperatures.
- Make sure that the table is set up on a level surface to prevent it from wobbling or tipping over.
- The surface can be cleaned with a damp cloth; do not use aggressive cleaning agents or strong chemicals to prevent damage.
- Not suitable for children, as parts of the table can potentially cause injury if used incorrectly. Especially not suitable for children under 3 years of age due to choking hazard from small parts.
- Regularly checking the stability of the table frame is recommended.
- Sharp edges or corners can cause injuries.
