Safety Instructions:

- Risk of suffocation due to improper handling of aerosol cans
- Take care when disposing of pressurised waste gas packs as they can be pressurised and explode
- Ensure that the containment is not overfilled to avoid the risk of overpressurisation
- Check vents regularly to prevent the build-up of harmful gases
- Wear personal protective equipment (e.g. gloves) when handling the spray cans
- Only use the safety container for its intended purpose and observe the UN authorisation
