Safety Instructions:

- Ensure that the drive-on corner is placed on a stable and level surface.
- The use of protective equipment, such as gloves and safety goggles, is recommended when working with hazardous substances.
- The drive-on corner should be checked regularly for damage to ensure its safety and functionality.
- Use of the drive-up corner in poor weather conditions such as rain or snow should be avoided.
- If chemicals or other hazardous substances are stored, appropriate safety measures must be taken.
- The drive-on corner is not suitable for use by children.
