Article Number: 461431

Safety Instructions:

- Please note that the steel drive-on corner can rust under the influence of weather if the surface is damaged.
- Secure the support corner against slipping or falling over during use.
- Only use the product for its intended purpose in order to avoid uncertainty or danger.
- Keep the drive-on corner clean and free of oil or other slippery substances to prevent accidents.
- Ensure that the weight of the transported materials does not exceed the load-bearing capacity of the drive-on corner.
- Inform all users about the correct handling and safety advice for the drive-on corner.
