Safety Instructions:

- Only use the insert tray in accordance with the specified maximum capacity of 30.45 litres to avoid overfilling and potentially dangerous situations.
- Ensure that the insert tray is positioned stably on a level surface to prevent it from tipping over or slipping.
- Read and follow the safety instructions and handling instructions supplied with the product.
- Keep the insert tray away from direct heat or other chemical substances that could pose a hazard.
- Dispose of the insert tray in accordance with local regulations for plastic waste in order to minimise environmental risks.
