Safety Instructions:

- Please note that the floor drip tray may only be used in conjunction with pull-out trays.
- Avoid overfilling the drip tray above 22 litres to prevent the risk of overflow.
- Make sure to check the drip tray regularly for damage and corrosion to ensure its effectiveness.
- Only store hazardous substances in containers intended for this purpose and observe the maximum capacity limit of 20 litres per container.
- Use suitable personal protective equipment (PPE) when handling hazardous substances.
