Safety Instructions:

- Observe the safety information for the proper handling of chemicals.
- Only use the pull-out tray for the intended containers up to a maximum of 4.09 litres.
- Wear suitable personal protective equipment when handling hazardous substances.
- The pull-out tray is made of corrosion-resistant stainless steel to prevent mechanical damage.
- Ensure suitable storage conditions, especially for aggressive chemicals.
- After use, dispose of the tray in accordance with the applicable regulations for hazardous waste.
