Safety Instructions:

- Ensure that the Standard shelf is correctly installed and secured to prevent it from tipping over or falling.
- Only intended for use with asecos safety storage cabinets of the S-30 and K-30 series.
- Careful handling of hazardous substances is ensured to prevent spillage or leakage.
- Wear suitable personal protective equipment (PPE) when using hazardous substances.
- Regularly inspect the shelf for cracks or other damage in order to recognise problems at an early stage.
- Do not exceed the load limit of 75 kg to ensure structural integrity.
