Please note the technical data of the products!

Article Number: 462819

Safety Instructions:

- Please only use the pull-out level for the intended containers and observe the maximum filling quantity of 4.09 litres.
- Make sure that the pull-out level is securely locked to prevent it from being pulled out unintentionally.
- Avoid storing materials that are not suitable for use with this pull-out shelf.
- Regular inspections of the pull-out level are necessary in order to recognise safety defects at an early stage.
