Safety Instructions:

- Only use the Standard shelf in accordance with the manufacturer's instructions and safety information.
- Ensure that the shelf is not loaded above the recommended maximum load of 60 kg.
- Keep the shelf away from naked flames and heat sources to avoid material damage and fire hazards.
- Carry out regular inspections to ensure that the shelf is in good condition and has no visible damage.
- Clean the shelf with suitable cleaning agents and avoid chemically aggressive substances that could damage the material.
