Please note the technical data of the products!

Article Number: 463322

Safety Instructions:

- Ensure that the grating is properly secured in the pressurised gas cylinder to prevent it from slipping.
- Regular inspection for signs of damage or wear to the grating.
- Avoid contact with harmful hazardous substances that are stored in order to minimise health risks.
- When installing the grating, observe the maximum load capacity of 180 kg.
- Keep out of the reach of children and protect from unauthorised access.
