Please note the technical data of the products!

Article Number: 139890

Safety Instructions:

- Before use, ensure that the hose quick coupling is correctly and firmly connected to prevent leaks.
- Wear suitable protective equipment when handling diesel and biodiesel to avoid skin contact and inhalation.
- Make sure that the dust caps are in place to prevent contamination of the connections.
- Do not use the product near open flames or heat sources to avoid the risk of fire.
- Handle the product with care to prevent damage to the quick-release hose coupling and possible hazards due to fuel leaks.
