Safety Instructions:

- Only use the dispensing hose for the intended fuels (2-stroke mixture and petrol).
- Carry out regular visual inspections of the hose for cracks, wear or damage.
- Make sure that the dispensing hose has an earthing conductor to prevent static discharges.
- Keep the dispensing hose away from naked flames or high temperatures.
- Follow the instructions for safe handling and use in accordance with the operating instructions.
- Ensure adequate ventilation when refuelling to avoid vapours.
- The product is not suitable for children; keep it out of the reach of children.
