Safety Instructions:

- Ensure that the drain hose is suitable for use with hazardous substances and that no hazardous chemicals can escape.
- Only use the drain hose in accordance with the manufacturer's instructions to avoid injury or damage.
- Regularly inspect the hose for damage and replace immediately if there are signs of wear or cracks.
- Ensure that the hose is securely and stably mounted to prevent leaks and falls.
- Do not use in areas where the hose is exposed to mechanical or thermal stresses that could compromise its integrity.
