Article Numbers: 883272, 883271, 883270, 883269, 883152, 883151, 883149, 883148

Safety Instructions:

- Do not use the table as a toy; do not leave children unattended to avoid injury.
- Choking hazard with small parts.
- Risk of falling if used incorrectly or overloaded; observe the maximum load capacity of 120 kg.
- Product must be set up on a stable, level surface; use levelling screws if necessary to prevent wobbling.
- Follow the safety instructions when assembling and using the product; follow the instructions carefully.
- Do not step onto the tabletop to avoid the risk of falling.
- Keep sharp objects away from the surface to avoid scratches.
- To avoid damage, do not set up the table near water sources or damp environments.
- There is a risk of tipping if incorrectly installed or handled; strictly follow the instructions.
- Regularly check the stability and safety of the table frame; discontinue use if worn or damaged.
- When installing, make sure that the base is stable to prevent tipping.
- Only use the product for its intended purpose in order to avoid hazards.
- Keep the table away from heat sources to prevent damage to the coated surface.
