Safety Instructions:

- Do not use the lamp near water or damp areas to avoid the risk of electric shock.
- The integrated LEDs are not replaceable. In the event of a defect, the entire lamp must be replaced.
- Make sure that the lamp is only placed on a stable, level surface to prevent it from tipping over and causing injury.
- The use of improper electrical devices or accessories can impair safety.
- The lamp is only suitable for indoor use. Outdoor use may jeopardise the appliance.
- Not suitable for children under 3 years: Choking hazard due to small parts.
- Avoid risk of electric shock: Read the operating instructions carefully and follow them.
- Do not disconnect the lamp from the power supply while it is switched on.
- If the light is damaged, do not use it and contact a specialist.
- The light source is not replaceable; the light must be replaced if defective.
