41564 Kaarst, Deutschland

**E-Mail:** postmaster@ggv-exquisit.de

Please note the technical data of the products!

**Article Number:** 195943

### **Safety Instructions:**

- Beware of choking hazard due to small parts during assembly.
- Avoid risk of electric shock: Only connect the appliance to a socket outlet authorised by the manufacturer.
- Position the appliance correctly in the room so as not to obstruct the air circulation.
- Read and observe the operating instructions when using the appliance for the first time.
- R290 refrigerant is environmentally friendly, but potentially dangerous if handled incorrectly.
- Only use the appliance in dry rooms and keep it away from water sources.
- Do not leave the air conditioner unattended when it is in operation.
- Dehumidification: If water escapes frequently, check and vent the drain hose.
