Safety Instructions:

- Make sure that the product has no sharp edges or points that could cause injury.
- The seat height of 455 mm could pose a risk of falling for small children; adult supervision is recommended. The seat height may be unfavourable for certain user groups and should be checked.
- Include clear instructions for the safe use and care of the sofa.
- The sofa should be placed on a stable, level surface to prevent it from tipping over. Follow the instructions to prevent tipping in the event of improper use.
- Avoid using aggressive cleaning agents to prevent damage to the artificial leather. The artificial leather is easy to clean, but is sensitive to certain chemicals.
- Regularly inspect the sofa for wear or damage, especially to the glides, armrests and backrests.
- Caution: Small parts can be swallowed and there is a risk of suffocation if used incorrectly. The sofa is not suitable for children under 3 years of age.
- Avoid very humid environments and keep hot objects away from the surface to prevent damage to the artificial leather.
- Take care when using on smooth floors; glides are provided to avoid the risk of slipping.
- Warning for children: Do not use as a toy.
- Observe safety certificates (EN 16139, EN 1022, EN 1728) for commercial use. The sofa is recommended for reception areas, but is not suitable for outdoor use.
