Article Numbers: 336203, 336098, 336097, 336096

Safety Instructions:

- This ink cartridge should be kept out of the reach of children to avoid swallowing. Not suitable for children under 3 years of age.
- Avoid direct contact with the ink. In the event of contact with skin, clean thoroughly with soap and water. Avoid inhalation of ink particles.
- Penetration of ink can cause skin irritation and stains on skin and clothing. If used improperly, the ink can cause stains.
- Dispose of the empty ink cartridge in accordance with local regulations for the disposal of electrical and electronic equipment. Ensure that the packaging is completely emptied before disposal.
- The ink cartridge must not be stored above 25 °C and must be protected from direct sunlight.
- Not suitable for contact with food.
- Only use the ink cartridge with compatible Brother printers and recommended consumables.
- Observe the safety data sheet and contact the manufacturer if you have any questions about safety. If swallowed, seek medical attention immediately.
