Please note the technical data of the products!

Article Numbers: 464021, 464020, 464018, 464017

Safety Instructions:

- Do not use for liquids.
- Observe the maximum load capacity of 450 kg.
- Take care when using a forklift or pallet truck and only use according to specifications.
- Suitable for food contact, but check edges and surfaces for damage and hygienic conditions.
- Risk of suffocation due to improper use or incorrect handling when used in the vicinity of children.
- Due to the robust design, heavy goods should be handled with care to avoid injury when lifting or transporting.
- If used incorrectly, there is a risk of falling over or damage, especially under maximum load.
