Safety Instructions:

- Use the office chair in accordance with the manufacturer's instructions to avoid injury.
- Ensure that all adjustment mechanisms are working properly before use.
- The chair is designed for a maximum load of 110 kg. Do not exceed this weight.
- Regularly check the stability of the chair, especially the castors and the height settings.
- The antibacterial fabric cover is easy to clean; follow the care instructions to ensure hygiene.
- Height-adjustable armrests should be adapted to the height of the user to avoid tension.
- Make sure that the chair is used on a suitable surface to prevent it from tipping over.
