Safety Instructions:

- Make sure that no clothing or body parts get caught in the shredder opening to avoid injury.
- Do not operate the appliance near children without supervision to avoid the risk of choking on small parts.
- Ensure that the appliance is placed on a stable and level surface to prevent it from tipping over.
- Avoid using the document shredder if the collection container is already full to prevent overflow.
- To avoid overheating, do not operate the appliance for longer than the recommended operating time of 40 minutes.
- If a paper jam occurs, switch off the device immediately and follow the instructions for rectifying the problem.
- Only use the recommended materials and documents in accordance with the manufacturer's instructions to prevent damage to the appliance.
