Article Number: 167907

Safety Instructions:

- Caution: The appliance generates noise of up to 65 dB during operation. It should therefore be used with caution in quiet environments.
- Maximum operating time: Do not use the appliance for longer than 6 minutes at a time. Allow the shredder to cool down for at least 50 minutes afterwards to avoid overheating.
- Choking hazard: Keep the appliance and small parts away from small children to avoid the risk of choking.
- Risk of electric shock: Ensure that the appliance is always disconnected from the power supply during cleaning or maintenance.
- Use in accordance with the General Data Protection Regulation: Ensure that the product is only used to destroy sensitive data in order to fulfil legal requirements.
