Article Numbers: 464004, 464003

Safety Instructions:

- Take care when handling on uneven or slippery surfaces to avoid falls and injuries.
- Do not load above the permissible load capacity: static load capacity 1800 kg, dynamic load capacity 800 kg.
- Ensure that the pallet is properly stacked to avoid instability and falling over.
- Store safely to avoid the risk of falling.
- Protect from extreme temperatures and chemical substances.
- Use only for the intended applications.
- Check regularly for visible damage or wear.
