Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts that can be swallowed.
- When stacking pallets, ensure that stability is not jeopardised.
- Take care not to load the pallets above the maximum load limits to avoid accidents.
- The anti-slip studs on the top are intended to provide more stability, but are no substitute for safe stacking methods.
- The product is made from recycled HDPE plastic. Care must be taken during use to ensure that no harmful chemicals are released.
