Safety Instructions:

- To minimise the risk of poisoning from ink contact, use highlighters safely.
- Avoid skin and eye contact with the ink. In the event of contact, rinse thoroughly with water and consult a doctor if irritation occurs.
- Keep the pens out of the reach of children, especially as they are not suitable for children under 3 years of age, to prevent the risk of swallowing small parts.
- Avoid inhaling vapours and ensure adequate ventilation during use.
- Highlighters should not be used near naked flames or heat sources to avoid the risk of fire.
- Dispose of used markers in accordance with local regulations and do not dispose of them in the environment to ensure environmental protection.
- Only use under adult supervision when the product is used by children.
- Protect the product from heat, as it can melt at high temperatures.
- Read the instructions for safe use carefully.
