Safety Instructions:

- Keep out of reach of children as small parts can be swallowed and there is a risk of choking.
- If used improperly, overpressurisation can lead to leaks or breakage. Do not damage the printer cartridge to prevent ink from leaking.
- Avoid contact with the ink as it can cause skin and eye irritation. Do not get into the eyes. In the event of contact with the eyes, rinse thoroughly with water and consult a doctor.
- Observe local regulations when disposing of ink cartridges.
- Use with caution: Colour can cause stains, especially on contact with certain materials.
- For use with compatible printers only. Check the printer models before use.
- Store the ink cartridges in a cool and dry place to maintain product quality.
- The cartridge contains chemical substances, so do not put it in your mouth or bring it into contact with food.
- Follow the instructions for safe use before use.
