Safety Instructions:

- Be aware of the risk of suffocation due to small parts, especially when assembling, make sure that these are not suitable for children.
- Ensure that the castors are properly fitted before use. We recommend using the castors on smooth and stable floors.
- Special care must be taken to avoid falls on uneven floors.
- Observe the weight limit to prevent the desk from tipping over. Careful assembly recommended to prevent tipping.
- Avoid risk of electric shock due to improper use of the electrical height adjustment system.
- When moving the desk, make sure that there are no people in the movement path.
