Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts that pose a choking hazard.
- If used improperly or stacked incorrectly, the shelf may tip over or become unstable, which may result in injury.
- The tray should be used on a stable, level surface to minimise the risk of tipping over.
- Use only in the intended area of application.
- Keep the shelf dry and away from direct sunlight to avoid discolouration or material damage.
- Include safety information and installation instructions in a language that is easy to understand.
- Avoid heavy mechanical loads to ensure the stability and stability of the shelf.
- Observe the product weight to avoid the risk of falling due to insufficient stability.
