Safety Instructions:

- Risk of suffocation due to contact with moving parts, especially if handled improperly.
- Risk of skin cuts from the paper feed, especially if touched during operation. Safety note: The device switches off automatically if the paper feed is touched (SafeSense™ technology).
- Observe fire protection measures if the appliance overheats or is operated improperly.
- Observe the electrical safety instructions, especially when using in damp rooms.
- To avoid injury, do not leave the appliance unattended when children are nearby.
- Choking hazard due to improper handling of small parts.
- Risk of injury from the shredder's sharp blades.
- Ensure use only in accordance with the specified operating instructions.
- Maintain the appliance regularly in accordance with the manufacturer's instructions to ensure that it functions properly.
