Safety Instructions:

- Instructions for safe disposal of the waste in the container: do not overfill to prevent leakage.
- Do not use for food waste to avoid contamination.
- Outdoor use can shorten the service life of the product.
- Regular cleaning and emptying of the container is recommended to prevent odours and pests.
- Do not use for the disposal of hazardous waste.
- Place the container in a safe place to prevent it from tipping or falling over.
- Keep product away from naked flames and heat sources.
- Keep out of reach of children, not suitable for children under 3 years of age due to choking hazard.
- Do not throw any sharp objects into the waste bin.
- Ensure that the product is not damaged or defective to minimise the risk of injury.
- Use only for the intended purpose, do not overload or use inappropriately.
