Safety Instructions:

- Observe the safety instructions when using the Bluetooth headset.
- Avoid use in extremely noisy environments without hearing protection.
- Only use the appliance in accordance with the operating instructions.
- Before each use, check the condition of the appliance, in particular for possible damage.
- Do not use the headset near water or in damp environments.
- Keep the headset away from extreme temperatures.
- Ensure that the headset fits correctly to avoid pressure points or discomfort.
- Suitable for users aged 14 and over under adult supervision.
- The active noise-cancelling function may impair your ability to hear ambient noise. Be particularly careful in road traffic.
- Regularly update the headset software to ensure safety functions.
