Safety Instructions:

- Avoid using the printer in a damp or wet environment to prevent electric shocks.
- Keep the printer and labels away from children to avoid the risk of choking on small parts.
- Use only the labels recommended by DYMO® to ensure proper function and safety.
- Ensure that the printer is connected correctly to prevent overheating and damage.
- Do not leave the appliance unattended during operation.
- Follow the instructions for the safe disposal of used label rolls and devices.
