Article Numbers: 94088, 93962, 94060, 92944, 93947, 93949, 93961, 92940, 94087, 92962, 92943, 93963, 94066, 92964, 92941, 92960, 93946, 93954, 93960, 93948, 93955, 94049, 92961, 94048

Safety Instructions:

- Maximum load: Do not exceed 600 kg.
- Avoid contact with chemicals that could damage the material.
- Protect from temperatures below -20°C or above +100°C to avoid deformation or damage.
- Not suitable for direct contact with foodstuffs unless authorised.
- Before use, ensure that the box is intact and free of cracks.
- Protect from direct sunlight to prevent material ageing.
- Not suitable for children under 3 years of age.
- Ensure safe, stable stacking to prevent tipping.
- When stacking, keep the box below the maximum stacking load of 600 kg.
- Do not use aggressive chemical cleaning agents for cleaning.
- Protect against damage: Do not transport any sharp or heavy objects improperly.
- Only use the product for its intended purpose.
