Safety Instructions:

- Caution: Risk of injury due to improper use when stacking folding boxes.
- Caution: Sharp edges can cause injuries.
- The box is not suitable for the transport of hazardous substances.
- Do not exceed the maximum load (60 kg single load, 250 kg stacking load).
- Please ensure that the box is placed on a level surface to prevent it from tipping over.
- Keep out of the reach of children to avoid the risk of choking on small parts.
- Check the container for cracks or damage before use.
- Disposal in accordance with the applicable regulations for plastics.
- Do not use corrosive cleaning agents for cleaning.
- Do not bring into contact with sharp objects to avoid scratches.
- Attention: Product is not suitable for human consumption.
- Use ergonomic interventions to avoid injuries.
- Follow the maintenance instructions and cleaning instructions to avoid damage.
